Primus Gives Back to Local Community

August, 2008
Primus

Earlier this year, representatives from Primus Electronics and PA Wireless presented a check for \$15,000 to the Child Life program at Penn State Hershey Children's Hospital in Hershey, Pennsylvania. "We always have and will continue to place a high priority on supporting local communities," says Chris Pleibel, Regional Sales Manager who helped coordinate the donation. "It is an honor to work at a company that recognizes the importance in giving back to local communities."
