Primus Regional Sales Manager Appointed President of the Pennsylvania Wireless Association

November, 2008
Primus

It is an honor to announce that Chris Pleibel, Regional Sales Manager, has been appointed President of the Pennsylvania Wireless Association (PWA). “I am proud to be a part of the organization which has grown into a well-established and active group of like-minded industry professionals (due in large measure to the capable leadership of Todd Stiles who has been involved in the PWA since its beginning).

I am very optimistic about the future prospects for the wireless industry in Pennsylvania and am certain that the PWA will have a major role to play in these opportunities. If you’re involved with the organization, expect to receive regular updates from the PWA regarding local and state-wide regulatory and legislative issues, opportunities to raise funds for the Penn State Children’s Hospital, and social and educational sessions for our members. I look forward to your participation as the PWA continues to develop as a vital resource for the entire PA wireless industry.”
